

## YOUR DONATION COUNTS!

The funds raised will be used to support the MGA Foundation's innovative student intern program, GOLFWORKS. Designed to introduce minority and underprivileged high school students to the game and its related careers through meaningful work experience, GOLFWORKS has a significant impact on these students at a critical stage in their lives.

The program was started in 1994 with 12 students at six clubs, and this year will have more than 240 interns at 80+ MGA member clubs. The support from our member clubs, students and youth groups has made GOLFWORKS one of the most successful youth initiatives in the country. With more than 400 golf facilities in the Met Area, the potential to expand and influence the lives of even more deserving kids is tremendous.

Thanks to the generosity of the membership at Baltusrol, virtually all proceeds from this event go directly towards the operation of GOLFWORKS. The summer internships cover ten weeks, and each student earns approximately \$2,500, with participating clubs reimbursing the Foundation for a portion of the cost. Each individual donation to the outing will pay much of the Foundation's share for one student's summer work - a great investment in golf's future and in the future of a deserving young person.

The MGA Foundation is a 501-C(3) charitable organization and donations are tax deductible to the full extent allowed by law. The Foundation also offers a variety of educational programs, conducts junior tournaments, and offers a series of "Caddie Academies." The Foundation is also a founding partner of **The First Tee of Metropolitan New York**. Working with our friends from the Met and N.J. PGA sections, we have enjoyed great success at our initial site at the Mosholu Golf Course in the Bronx, and have expanded with First Tee facilities at Eisenhower Park and Gull Haven on Long Island, Fairchild Wheeler in Bridgeport, Conn., Harlem Golf Academy in Northern Manhattan, and at Weequahic Park and the Plainfield West Golf Courses in New Jersey. Through our ongoing campaign, **Golf Grows Here**, we are committed to generating the funds to grow these programs.

THANK YOU FOR YOUR SUPPORT!

UPPER AND LOWER COURSES

SPRINGFIELD, N.J.

# THE 18TH ANNUAL MGA FOUNDATION DAY OF GOLF

We are delighted to announce that **Baltusrol Golf Club** in Springfield, N.J., will host the MGA Foundation's 2012 Day of Golf in support of GOLFWORKS.

Both of Baltusrol's courses have long been considered among the best in the world and have a much storied history. The Tillinghast gems have hosted a number of national championships, including seven U.S. Opens and producing winners such as Jack Nicklaus and Phil Mickelson. On the MGA scene, Baltusrol has been the site of two Met Opens, four Met Amateurs and has been the annual host of the MGA Junior Stroke Play Championship — The Carter Cup — since 2003.

Teams will consist of four (4) amateurs. The donation for the day will be \$1,000 per individual or \$4,000 per team. To ensure an enjoyable day, we will be limiting the size of the field and we expect the event to sell out quickly.

The availability of both of these very special golf courses provides a wonderful opportunity to expose Met Area golfers and community leaders to the important work the MGA Foundation is doing. We hope you will make a special effort to join us this year or even put together a team. It is an enjoyable day in support of a great cause.

Each player provides the funds needed to give one deserving youngster a meaningful summer job, where they learn critical life and job skills, have access to the game of golf and gain exposure to successful role models.

Once again, thank you for your support of the MGA Foundation's ongoing programs and for offering GOLFWORKS kids the chance of a lifetime.
