

MEMORANDUM TO PLAYERS

FORMAT

This event is a one-day 18-hole Four-Ball Stroke Play competition. There will be no playoff to determine the last qualifying position. If the number of "and ties" goes over the announced limit, there will be a matching of cards to determine the qualifiers up to the limit. Teams may qualify on either a gross or net basis.

All male contestants shall compete at 90% of their current Course Handicap on a net better-ball basis; all female contestants shall compete at 95% of their current Course Handicap on a net better-ball basis. The USGA Rules for Four-Ball Stroke Play shall govern all play. Players should familiarize themselves with Rule 31 in the USGA Rules of Golf. Handicap Indexes will be used as of the **September 1st revision**.

HANDICAPS

Under Rule 6-2, it is the player's responsibility to know his correct current Handicap Index. Please check at your club on or after September 1st to determine your current USGA Handicap Index (the decimal number). You will not play with your Home Course Handicap and it is not necessary to know the Slope Rating for your home course - just your USGA Handicap Index. The MGA will convert your USGA Handicap Index into a Course Handicap for the competition using the Ramsey Golf & Country Club Handicap Table. If you have any questions regarding handicaps, please call the MGA Championship Department.
