MEMORANDUM TO PLAYERS

1:00 p.m. SHOTGUN

FORMAT

This event is a one-day 18-hole Four-Ball Stroke Play competition. Each team must have one counting score per hole for the competition. The competition will be played on PGA National (*Championship Course*). Prizes will be awarded to the top 10 teams and the individual low professional and low amateur. If necessary to determine the team or individual champion, there will be a sudden death playoff which will begin immediately at the conclusion of regular play. All players should keep informed as to the time and status of any playoff. All other ties will be broken by the USGA method of matching cards.

REGISTRATION

- All players are encouraged to arrive at least one hour prior to the start. Upon arrival, please check-in at the Registration Table. All players will have the option to practice at the virtual range or putting green ahead of the round. Players are encouraged to familiarize themselves with putting prior to the round. Players should be cognizant of the elevation changes and total distance when practicing to prepare for the tournament.

SIMULATOR INFORMATION

- Each simulator has various surfaces to hit off. Players must place their ball in the appropriate area prior to making their next stroke. Please reference the bottom right portion of the simulator screen for the surface.
- **Tee Height:** Players may adjust the height of their tee on the screen console or by pushing the tee down. The tee height setting option will not go below 1 inch so players must manually set a lower height if desired.
- **Par 3's:** To utilize a tee on a Par 3, a player must change their club selection on the screen console to 'Driver'.
- All team members must hole out on each hole, even if their score will not count for the teams score on that hole.
- If a group needs to skip a player's shot because they are occupied, there is an option at the top of the screen console to skip the player's turn and return to them after.

FOOD SERVICE

Food and beverage will be available throughout the day (each player receives one handheld item and an appetizer for the bay included with their entry fee).

LOCAL RULES

- Anytime a player is putting a ball into play on any surface in the simulator, the player is placing their ball.
- There are no restrictions on 'grounding' a club before a stroke.
- Players should be careful around the ball when preparing to make a stroke. If the system registers an unintentional stroke, please let an MGA official know immediately.
- Upon completion of the round, each team must submit a scorecard signed by one member of each team that correctly attributes each hole score to the appropriate player.
- **Penalty Areas:** A player will not be able to hit a ball that lies in a penalty area, the player will always be required to take relief.
- Players are **required** to use Golfzon golf balls.
