

## 122<sup>nd</sup> Met Amateur Championship Qualifying – Alternates Policy

The 122<sup>nd</sup> Met Amateur Championship at Somerset Hills will have 6 sectional qualifiers for the Championship proper. Following the conclusion of the qualifiers, if the final championship field is less than 72 players, alternates will be selected from the pool of qualifiers who **missed qualifying by 1 stroke** to reach capacity. If the Championship field exceeds 72 players, alternates will not be added unless the field size goes below 72 players.

### Alternate Priority:

Each qualifying site will be ranked based on the ratio of qualifiers to qualifying spots. The sites that have the least number of qualifiers for qualifying spots will take priority. If the qualifying spot and qualifier ratio is the same, the order will be decided at random. Once a player withdraws, an alternate will be added from the top priority site. That site then moves to the bottom of the qualifiers list and site 2 will have priority for the next alternate spot available. For each individual site, all players who missed by 1 shot will be sorted based on the USGA match of cards. If no players missed by 1, there will be no alternates for that site. Below is an example of how the alternates list will work using two Met Amateur qualifiers from 2023 as an example.

### MET AMATEUR CHAMPIONSHIP SQR - MANHATTAN WOODS GC

📍	Pos.	Player	To Par Gross	Total Gross
☆	T1	Bobby Diforio <i>MGA eClub - Hudson Valley</i>	+1	73
